

DETROIT MERCY NURSING and DENTAL HYGIENE TRANSFER TABLE (as of 2/9/2021)

This table is designed to help students smoothly equate courses taken at other institutions at Detroit Mercy. Students must earn a grade of C or better in each course for the credits to transfer to Detroit Mercy (admission criteria may be higher).

The admission course requirements for specific programs are noted. See explanation at the top of each page. Students seeking their first bachelor degree must complete all core curriculum requirements at Detroit Mercy or at another institution.

*Students who enter Fall 2017 or later will follow the **New Core Curriculum**.*

*During the transition time, the table has two versions of the table in this document: **New Core** in first half; **Old Core** in second half.*

Satisfying the **MTA** (Michigan Transfer Agreement) at a MI community college may shorten your list of core reqs at Detroit Mercy.

Prospective students should contact Admissions at admissions@udmercy.edu or 313-993-1245.

If interested in our **NUR-PT (NUR)** or **second-degree option (SDO), accelerated** nursing programs, please note that it is highly recommended for you to attend a Nursing Information Session.

If a prospective student has a question about courses on this table or listed in our online Transfer Credit System, or if you believe that a course has not yet been reviewed and needs to be reviewed, please contact Mary Beth Langan (Transfer Credit Team/Office of the Registrar) at: langanmb@udmercy.edu

If interested in our **MEAGN** program - **Master's Entry Advanced Generalist Nursing track MSN** -

The admission course requirements are the same as the SDO program *PLUS* Pathophysiology (see SDO column). For more information, please contact Suzanne Erwin (Grad Nursing Programs Coordinator) at: erwinsm@udmercy.edu

Current Detroit Mercy students are required to contact their advisor before enrolling in courses at other institutions.

Visit micollegesonline.org (Michigan Colleges Online or MCO) to learn which of these Michigan courses are offered online.

For information on earning credit via **CLEP and DSST exams** to complete requirements:

http://www.udmercy.edu/current-students/registrar/files/CLEP_student_info.pdf

http://udmercy.edu/current-students/registrar/files/DANTES_student_info.pdf

We are not a testing center, but CLEP and DSST will mail us your official score report after you test at a certified testing center.
